WYOMING
October 3, 2017

The Hot Springs Board of County Commissioners met in regular session on Tuesday, October 3, 2017, at 9:00 a.m. in the Public Meeting Room at the Government Annex. Present were Commissioners John Lumley, Tom Ryan and Phillip Scheel. Also present were County Clerk Nina Webber, County Attorney Jerry Williams and Administrative Assistant to the Commissioners Penny Herdt. Chairman Lumley led those present in the Pledge of Allegiance.

Approval of Agenda

The agenda was approved with the switching of item 6 – Airport Property/Vet Clinic Agreement and item 10 – Guardian Life Flight/Air Med.

Approval of Minutes

The minutes of the September 5 and September 19, 2017 regular meetings were approved as presented.

FBO Monthly Report

The FBO reported 132 total recorded operations during September. There was 911 gallons of AvGas and 2042 gallons of Jet Fuel sold during the month. Fuel prices at HSG are generally lower than the surrounding larger airports. The Road & Bridge department was thanked for their assistance with the Minimum Site Assessment at the old airport, which should be completed with the DEQ later this month. The Phillips 66 fuel quality inspection on September 14th went well, with only minor repairs to the fueling truck required. Commissioner Scheel reported on the airport discussions held by the WCCA Transportation Committee at the WACO conference in Cheyenne last week.

Maintenance Monthly Report

Snowplow Bid Opening – Clerk Webber opened the one bid received for replacing the snowplow. The Commissioners awarded the bid for a John Deere snowplow tractor to be delivered by November 28, 2017 in the amount of \$17,756.00 to 21st Century Equipment, Torrington, Wyoming, contingent upon review of the bid by Dave Schlager to ensure all bid specifications are met.

Senior Center Roof – Phillip Scheel reported that he had accompanied Dave Kauffman with CRCI, LLC on the inspection of the Senior Center roof, and reviewed the inspection report with the other Commissioners. The roof appears to be in danger of imminent failure and in need of replacement before winter if possible. The Commissioners authorized Commissioner Scheel to contact Nelson Architects to assess and potentially design a fix for the Senior Center roof, including cost estimates. The Commissioners also voted to retain Dave Kauffman to supervise the roof replacement project. Funds for these two items will come from Emergency Expenditures. The Clerk will work with the Commissioners to prepare an Emergency Minerals Royalty grant application for funds to replace the roof. The Clerk will contact the insurance company to investigate the possibility of some coverage for wind damage on parts of the roof.

Maintenance Supervisor Position – The Commissioners set a work session for October 3rd to review the applications received for the Maintenance Supervisor position in preparation for scheduling interviews next week.

Road & Bridge Monthly Report

R&B Supervisor reported mowing is complete for the year. Gravel work on Kirby Creek road is finished. Fall blading is complete and trees that were impinging on various rights of way have been trimmed back.

Planner Monthly Report

Planner reported the NRPC will meet October 11th. The LUPB meets October 18th. The LUPB continues work on the Land Use Plan revision with current focus on developing a new chapter dealing with subdivisions. The septic program has seen nine permits distributed, with four approved, two installed and three outstanding. The DEQ has instituted new language in the Septic program delegation agreements requiring a county engineer to oversee and sign off on all small wastewater system permits. Counties without an engineer on staff have expressed an unwillingness to meet this requirement and are willing to give the permitting process back to the DEQ instead of handling it at the county level. Hot Springs County is in “wait and see” mode regarding this issue. The annual gravel pit report to the DEQ is being prepared. Perpetual easements have been received from the BLM for West Cottonwood and Grass Creek roads (FLPMA roads). The RS-2477 road easements across BLM lands are not affected at this time. The Red Lane Groundwater Study is underway. Planner Bowman and Conservation District employee Darcy Axtell will visit the groundwater wells that have granted access for testing as part of this study.

Youth Alternatives Monthly Report

Youth Alternatives Director reported five male and three female program participants this

month. She has contacted Sara Garcia in Worland to open lines of communication between similar programs in Hot Springs and Washakie counties. The quarterly VOA-OJJDP 2017-2018 Nonparticipating State Award Subgrant CFDA #16.540 Reimbursement Request in the amount of \$2,063.75 was approved.

Guardian Life Flight/AirMed

The Guardian Life Flight company has been purchased by AirMed Care. County residents enrolled with Guardian will be grandfathered in at the current rates until their membership comes up for renewal. AirMed would prefer to receive one check from the County versus multiple personal checks from county resident participants. The Commissioners will work with the Clerk's office to see determine if the county wishes to continue to sponsor the AirMed Care program or offer a different county-sponsored air ambulance program to county residents. Air ambulance services currently serving Thermopolis include Billings Clinic, St. Vincent Airflight, Wyoming Medical Life Flight – Casper, and AirMed Care.

Hospital Title 25 Issues

Hospital district representatives and the Hospital Attorney formally notified the Commissioners that, as the hospital is not a state-designated facility for care of Title 25 patients and cannot provide for the safety of the other patients and staff, and since town law enforcement officers no longer provide 24-hour supervision for Title 25 patients, Hot Springs Memorial Hospital will no longer admit Title 25 patients unless they have other medical issues upon arrival at the Emergency Room. The hospital will stabilize the Title 25 patient and release them to the Title 25 Gatekeeper for further intervention. The State Department of Health has designated the Hot Springs County Counseling Service as the Title 25 Gatekeeper in Hot Springs County. The Commissioners will set-up a work session to include members of the Town of Thermopolis Council and Police Chief, Hospital District Board members, Hospital CEO, Board Attorney and Medical staff, Hot Springs County Counseling Service personnel, a Department of Health representative, State Representative Nathan Winters and State Senator Wyatt Agar, and the Hot Springs County Sheriff, Attorney, Clerk and Commissioners to work out formal agreements for dealing with Title 25 patients.

Public Hearing – Heimann Home Occupation Permit

The Planner reviewed the application from Ty Heimann for a Home Occupation Permit to do on-site repair of heavy duty trucks/trailers and mobile 24-hour response for off-site service calls. This does not require a land use change. The Land Use Planning Board has forwarded the application to the Commissioners with a do-pass recommendation containing seven conditions of approval. The Chairman opened the public hearing on the HOP for Ty Heimann at 11:35 a.m. After three calls for public comments, receiving none, the Chairman closed the public hearing at 11:36 a.m. The Absolute and Relative Policies checklists were completed with a score of zero on both lists from all three Commissioners. The Commissioners approved Ty Heimann's application for a Home Occupation Permit located at 541 Webb Road, subject to the seven conditions recommended by the LUPB.

Emergency Management Monthly Report

Emergency Management Coordinator reported he is working on the After-Action/Improvement plan for the eclipse. His quarterly report to OHS will be submitted later this month, after which work on the County-wide Emergency Evacuation plan will resume.

Sheriff Airport Property Request

The Sheriff asked the Commissioners to consider allowing his department to use one of the hangars at the old airport site for impounded property/civil execution storage if one becomes available.

Vet Clinic Agreement

The Sheriff's department has received a bill for impoundment of dogs at the Vet Clinic that they were not aware had been impounded. Resolution 92-3 addresses the County's responsibility for stray, vicious and aggressive dogs, with amendments in 1993 and 1997. The County Attorney will work with staff to develop another amendment to update the resolution as needed to fit the current situation. The Vet Clinic staff has agreed to notify the Sheriff of impounded dogs, but that will be done through Dispatch, which has had varying results in the past as far as the Sheriff actually receiving that notification in a timely manner.

Other Business

BHB Nature & Discovery Center Board Appointment – Raegan Stanley was appointed to the BHBND board with Commissioners Scheel and Ryan voting aye and Commissioner Lumley abstaining.

NRPC Opening Advertising

– Approved Assistant Public Defender Appointment Review – No action taken on this item

PUBLIC NOTICE

The Spring Gulch Coal Company, Inc. of Thermopolis, Wyoming, Permit No. 211-T7 has applied for Phase 1 (60%) and Phase 2 (75%) incremental bond release from the Land Quality Division of the Department of Environmental Quality for the State of Wyoming. This permit was originally approved on October 21, 1974. The coal mining permit area is located in: Section 6 and 7 of T.44N, R.94W.; Sections 30, 31, 32, and 33 of T.46N., R.98W.; and Sections 25 and 26 of T.46N., R.99W.; Hot Springs County, Wyoming. The area is approximately 18 miles SE of Meeteetse, Wyoming and 1/2 mile NW of Kirby, Wyoming. This area can be found on the Kirby and Grass Creek USGS quadrangle maps. The parcels to be released from bond are located in Section 26, T.46N., R.99W. This bond release request includes 31.8 acres. The reclamation of these parcels occurred between 1982 and 2015. This release is for proper placement of topsoil, vegetation establishment, and surficial stability. The bond amount to be released is \$40,502.44.

Information regarding the mining operation, reclamation procedures and areas proposed for release may be reviewed in the Office of the Land Quality Division of the Department of Environmental Quality in Cheyenne and Lander, Wyoming. Written objections to the proposed bond release request must be received by the Administrator of the Land Quality Division, Department of Environmental Quality, 200 W 17th Street, Suite 10, Cheyenne, WY 82002, before the close of business Dec. 16, 2017. If written objections are filed, and a public hearing is requested, the Director may hold an informal conference, hear the complaint and take action on the application in accordance with the Department's Rules of Practice and Procedure. An informal conference shall be held if the Director determines that the nature of the complain or the position of the complaints indicates that an attempt to informally resolve the disputes is preferable to a contested case proceeding. An informal conference shall be held 20 days after the final date for filing objections unless a different date is stipulated to by the parties. The complainants, a public hearing shall be held within 60 days after the final date for filing objections unless a different period is stipulated to by the parties. The Council or director shall inform the operator and all interested parties of the public hearing. The Council or Director shall publish notice of the time, date and location of the hearing or conference in a newspaper of general circulation in the locality of the proposed operation once a week for two (2) consecutive weeks immediately prior to the hearing or conference. The hearing would be conducted as a contested case in accordance with the Wyoming Administrative Procedure Act (W.S. § 16-3-101 through § 16-3-115), and the right of judicial review would be afforded as provided in that act.

PUBLIC NOTICE

Pursuant to the Wyoming Administrative Procedure Act and the Wyoming Public Service Commission's (Commission) Rules, notice is hereby given that a public hearing is scheduled regarding the Application of Rocky Mountain Power (RMP or the Company) requesting authority to decrease rates on deferred Net Power Costs (NPC) pursuant to Tariff Schedule 95; to decrease rates pursuant to Tariff Schedule 93, Renewable Energy Credits (RECs) and Sulfur Dioxide (SO2) emission allowances; and upon the interventions of the Office of Consumer Advocate (OCA, and Wyoming Industrial Energy Consumers (WIEC). **The public hearing is set to commence on Tuesday, November 28, 2017, at 9:00 a.m., in the Commission's hearing room located at 2515 Warren Avenue, Suite 300, in Cheyenne, Wyoming.**

RMP is a public utility, as defined in Wyo. Stat. §37-1-101(a)(vi)(C), providing retail electric public utility service under certificates of public convenience and necessity issued by the Commission. RMP is subject to the Commission's jurisdiction pursuant to Wyo. Stat. §37-2-112.

On April 17, 2017, the Company submitted an Application together with testimony, exhibits and revised tariff sheets requesting authority to revise and change rates pursuant to two different rate schedules: [i] its Energy Cost Adjustment Mechanism (ECAM) Tariff Schedule 95, requesting approval to decrease rates by \$15.7 million or 2.21 percent in deferred NPC; and [iii] its REC and SO2 revenue adjustment mechanism (RRA) Tariff Schedule 93, requesting approval to decrease rates by \$528 thousand or 0.07 percent to reflect the sale of RECs and SO2 emis-

sion allowances. The total ECAM deferral from calendar year 2016 is a refund of approximately \$4.9 million which the Company proposes to refund to customers over a 12-month period from June 15, 2017, through June 14, 2018. RMP requested that the Commission approve the proposed decrease on an interim basis, effective June 15, 2017, subject to further review and hearing.

Pursuant to the Commission's June 21, 2017, Order Approving Rates on an Interim Basis, the Commission granted RMP's request for an interim rate decrease in the amount of \$15.7 million pursuant to Tariff Schedule 95, and an interim rate decrease of \$528,000 pursuant to Tariff Schedule 93, effective on and after June 15, 2017, subject to further determination and order of the Commission as it may deem appropriate.

All interested persons are encouraged to attend the public hearing which will be conducted in accordance with the Wyoming Administrative Procedure Act and the Wyoming Public Service Commission Rules and Special Regulations. Interested persons may appear and be heard, either in person or through counsel, as provided by Commission Rule.

The Commission's hearings are open to all persons. If you wish to attend the hearing and you require reasonable accommodation for a disability, please contact the Commission at (307) 777-7427 (Voice or TTY) in Cheyenne during regular business hours or write them at 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming 82002, to make arrangements. Communications impaired persons may also contact the Commission by accessing Wyoming Relay (TTY) by dialing 711. Please mention Docket No. 20000-514-EA-17 (Record No. 14696) in your correspondence. If you wish to listen to the hearing scheduled in this matter go to <http://psc.wy.us> at the appropriate time and follow the instructions to connect to the hearing.

PUBLIC NOTICE

Pursuant to the Wyoming Administrative Procedure Act and the Wyoming Public Service Commission's (Commission) Procedural Rules and Special Regulations, notice is hereby given of the Application of Rocky Mountain Power (RMP or the Company), for authority to approve a Demand Side Management (DSM) plan, as more fully described below:

RMP is a public utility as defined in Wyo. Stat. § 37-1-101(a)(vi)(C), subject to the Commission's jurisdiction pursuant to Wyo. Stat. § 37-2-112.

On September 28, 2017, RMP filed its Application requesting authority to approve i] a 3 Year Plan for DSM Acquisition; ii] the cancelation of Electric Service Schedule Nos. 111, 118, and 140; iii] modifications to Electric Service Schedule No 191, including adjusting Category 1 and 2 rates to 1.21 percent and 3.58 percent, respectively; and, iv] a three year planning cycle for DSM targets and budgets, and capitalization and amortization of Category 3 Demand-Side Management expenditures

RMP states in its Application that is has engaged in a series of communications with members of Wyoming Industrial Energy Consumers (WIEC), the Office of Consumer Advocate (OCA), Southwest Energy Efficiency Project (SWEEP), the University of Wyoming, Merit Energy, and Commission Staff to discuss the current DSM programs, tariff modification processes, and other concerns with respect to a e Year DSM Plan. Those discussions have led to the filing of this Application.

This is not a complete description of the Application. Interested persons may inspect the Application at RMP's business offices throughout Wyoming and at the Commission's offices in Cheyenne, Wyoming, during regular business hours. The Application may also be reviewed on line at <http://www.pacificorp.com>.

Anyone desiring to file a public comment, statement, intervention petition, protest or request for a public hearing in this matter must do file with the Commission in writing on or before November 27, 2017. Any intervention request filed with the Commission shall set forth the grounds of the proposed intervention or request for hearing as well as the position and the interest of the petitioner in this proceeding.

If you wish to intervene in this matter or request a public hearing that you will attend, or you wish to file a public comment, statement, or protest, and you require reasonable accommodation for a disability, please contact the Commission at (307) 777-7427, or write to the Commission at 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming 82002, to make arrangements. Communications impaired persons may also contact the Commission by accessing Wyoming Relay at 711. Please mention Docket No. 20000-526-EA-17 (Record No. 14847) in your communications.

Dated: October 26, 2017.
