

Baby buffalo arrives unexpectedly

by Cindy Glasson
The crews in Hot Springs State Park were a bit surprised to find a new baby buffalocal in the T-Hill pasture on Thanksgiving.

Normally, buffalo calves and other young critters are born in the spring, some as late as June, but this little fellow was way behind the others. According to Park Superintendent Kevin Skates, this particular buffalo typically has a late cycle and has given birth later than the others, one on 9-11 and even one in October, but never this late. Skates says mama and baby are both doing well, after all, he has a coat made for this weather, so there is no plan to bring them down into the main pasture or into the barns in the park. Four or five buffalo calves were recently brought here from Bear River State Park in preparation for the annual calf sale. Skates said those calves, along with five from our herd, will be up for sale this year. Bid packets for the animals should be available sometime in mid-December and will need to be returned the first part of January.

PUBLIC NOTICE

Pursuant to the Wyoming Administrative Procedure Act and the Wyoming Public Service Commission's (Commission) Rules, notice is hereby given of the Application of Rocky Mountain Power (RMP or the Company) requesting authority to

modify the avoided cost methodology and reduce the contract term of its Public Utility Regulatory Policies Act (PURPA) Power Purchase Agreements (PPA) with Qualifying Facilities (QFs), as more fully described below:

RMP is a public utility, as defined by Wyo. Stat. §37-1-101(a)(vi)(C), providing retail electric public utility service under certificates of public convenience and necessity issued by the Commission. RMP is subject to the Commission's jurisdiction pursuant to Wyo. Stat. §37-2-112.

On November 2, 2018, the Company submitted an Application together with testimony and exhibits requesting authority to modify the avoided cost methodology and reduce the contract term of its PURPA PPAs with QFs. Specifically, RMP requests the Commission issue an order: (i) approving a reduction of the maximum contract term of prospective PPAs with QFs under the PURPA of 1978 to seven years; (ii) modifying the Partial Displacement Differential Revenue Requirement methodology the Company uses to set avoided costs under Wyoming Schedule 38; (iii) to use the PD-DRR to set rates under Schedule 37; (iv) revising the on-peak and off-peak definitions in Schedule 37; and, (v) modifying both Schedules 37 and 38 to improve the pricing and PPA negotiation process.

According to RMP, the change to QF PPA term length and the avoided cost changes proposed by the Company in this Application are not mutually exclusive. Instead, they operate as a package that, if approved, will help ensure that the Company's ratepayers do not pay more than the Company's avoided costs, while still giving QFs a fair opportunity to finance their projects and sell power to the Company. The Commission's ability to adjust the avoided cost methodology, and contract terms are the key tools FERC provided Wyoming to ensure that PURPA is implemented in a manner that remains just and reasonable, and in the public interest.

This is not a complete description of RMP's Application. Interested persons may inspect the entire Application at RMP's Wyoming offices and at the Commission's offices in Cheyenne, Wyoming, during regular business hours.

Anyone desiring to file a public comment, statement, protest, intervention petition or request for a public hearing in this matter must file with the Commission in writing on or before December 27, 2018. Any intervention request filed with the Commission shall set forth the grounds of the proposed intervention or request for hearing as well as the position and the interest of the petitioner in this proceeding.

If you wish to intervene in this matter or request a public hearing that you will attend, or you wish to file a public comment, statement, or protest, and you require reasonable accommodation for a disability, please contact the Commission at (307) 777-7427, or write to the Commission at 2515 Warren Avenue, Suite 300, Cheyenne, Wyoming 82002, to make arrangements. Communications impaired persons may also contact the Commission by accessing Wyoming Relay at 711. Please mention Docket No. 20000-545-ET-18 in your communications.

Dated: November 29, 2018.

COUNCIL PROCEEDINGS

The Thermopolis Town Council met in regular session November 20, 2018 at 7 pm at Town Hall. Present were Mayor Pro-tem Dusty Lewis, Council members Tony Larson, John Dorman Sr. and Bill Malloy. Also, present were Mayor/Codes Administrative Assistant Fred Crosby, Clerk/Treasurer Tracey Van Heule, Police Chief Steven Shay, Public Works Director Ernie Slagle, Town Attorney Mike Messenger and Town Engineer Anthony Barnett. Mayor Mike Mortimore was absent. **AGENDA:** Following the pledge of allegiance,

Larson made a motion, seconded by Dorman and carried to approve the agenda with the following additions under Citizen Participation: Michael Wright – Town Audit presentation and Bengel Brown – Wild Turkeys.

RESOLUTION 546: BUDGET ADJUSTMENT: Larson made a motion, seconded by Dorman and carried to approve and adopt Resolution 546, which adjusts the budget to reflect actual costs.

FINANCIAL STATEMENT: Malloy made a motion, seconded by Dorman and carried to approve the financial statement for October 2018.

CITIZEN PARTICIPATION: MICHAEL WRIGHT: 2018 AUDIT RESULTS: Wright presented a brief synopsis of the audit. The opinion letter notes the June 30, 2018 financial statement presents fairly the respective financial position of the governmental activities, business-type activities and aggregate remaining fund information for the Town. Wright noted the Internal Control report lists the lack of segregation of duties as a significant deficiency. The report notes that it is impractical for the Town to employ sufficient staff to achieve adequate segregation of duties at all times. Wright emphasized the importance of oversight by the Mayor and Council. Larson made a motion, seconded by Malloy and carried to accept the 2018 audit.

CITIZEN PARTICIPATION: BENGE BROWN: WILD TURKEYS: Brown provided background information on the turkeys and noted the game and fish department does not pay for damage to personal property. He offered several suggestions to disrupt the turkeys as they roost. Discussion ensued with Kevin Simpson on options to disrupt the roosting turkeys. Simpson was granted permission by the police department to use pop bottle rockets to scare the roosting turkeys.

ENGINEER: LANDFILL SURVEY UPDATE: Barnett noted the landfill settlement survey was completed. The current cell (nine) has 34 feet at the back of the cell before it is at capacity.

ENGINEER: TREATED WATER PROJECT: Barnett noted Wilson Brothers requested substantial completion on the water project.

TOWN ATTORNEY: MIKE MESSENGER: Nothing at this time.

ADMINISTRATION: FRED CROSBY: HEALTH INSURANCE RENEWAL: Crosby noted due to a bad year, the town received a 26% increase on the renewal. He noted the employees deductible will be raised. Larson made a motion, seconded by Lewis and carried to raise the deductible from \$500 to \$1,500 for a single and \$1,000 to \$3,000 on family coverage. Motion carried.

ADMINISTRATION: IT CONTRACT: Malloy made a motion, seconded by Dorman and carried to approve a two-year IT contract with Mike Mortimore for \$300/month.

MAYOR & COUNCIL: Lewis noted he would like to re-visit the snow removal policy. At 7:45pm the Mayor and Council entered into executive session for litigation as allowed under Wyoming statute 16-4-405(a)(iii). At 8:31 pm the council meeting resumed. Larson made a motion seconded by Lewis and carried to send a letter to the County to being negotiations on the JLE contract (expiring December 31, 2018). The meeting then adjourned. The next Council meeting is December 4, 2018 at 7pm.

ATTEST:
Tracey Van Heule, Clerk/Treasurer
Mike Mortimore, Mayor
