These days, you need to reach as many people as you can with your advertising dollars. That's why you should use the advertising program that reaches more people in Wyoming than any other!

Through the Wyoming Press Advertising Service's Display Ad Network, you can send your 2-column wide (about 3.75 inches) by 2-inch tall ad to every newspaper in Wyoming for \$550 – a fraction of a cent per reader! For more visibility, you can send a 2-column wide by 4-inch tall ad to the state's newspapers for \$1,200 - still less than a penny per reader.

Whether you're selling, buying, bragging about a destination, trying to find employees or publicizing an event, the WPAS 2x2 and 2x4 programs help you get the most out
