A Sincere Thank You During Hard Times

The Hot Springs County COVID-19 Unified Command Team wants to express our genuine appreciation and considerable thanks to all of the people who are sacrificing, making changes, helping others and simply doing the right thing to help our county respond to this virus.

Local businesses and their employees are dealing with great unknowns, but are doing their part without complaints. Our restaurants continue to provide take-out meals for our community in a safe manner. We can still purchase necessary food and supplies at local stores because those businesses are following guidelines and working hard to keep stock available.

Children 18 and under and Seniors are still receiving meals. Local residents are donating homemade masks, and other supplies to those in need.

We're a great community and our people are taking care of each other. Our medical providers, responders and local businesses are committed to continuing to serve all of us.

Thank you to all of you who live, work and are self-distancing in Hot Springs County. You're all doing a wonderful job during these difficult times and it is recognized and appreciated.
