STATE OF) OFFICE OF THE
WYOMING) BOARD OF
OF) COUNTY
COUNTY OF) COMMISSIONERS
HOT SPRINGS) JANUARY 5, 2021

The Hot Springs County Board of Commissioners met in regular session on Tuesday, January 5, 2021 at 9:00 a.m. in the Public Meeting Room at the Government Annex. Present were Commissioners Tom Ryan, Jack Baird and Phillip Scheel. Also present were County Clerk Rose DeSeyn and Administrative Assistant Penny Herdt. Chairman Scheel led those present in the Pledge of Allegiance.

Approval of Agenda – The Agenda was approved with the following changes: MOVE: FBO Monthly Report from 10:30 a.m. to 9:40 a.m.; DELETE: Other Business 3.d. People for People Funding Request

Approval of Minutes – The minutes of the December 1 and 15, 2020 meetings were approved as presented.

Reorganization 2021

- Select Chairman and Vice Chairman** – Tom Ryan was elected chairman and Jack Baird will be Vice-Chairman for the coming year.
- Set Commission Meeting Dates** – Meeting dates will remain the first Tuesday of the month beginning at 9:00 a.m. and the third Tuesday of the

- month beginning at 3:00 p.m
- 3. Appoint County's Official Paper** – The Independent Record was designated as the County's official newspaper.
- 4. Set Commissioners' Special Areas of Responsibility** – The Commissioners were assigned the following areas of special responsibility:
Tom Ryan: WCCA Board of Directors Hot Springs County Library, Road & Bridge, Airport, and Senior Citizens Center;
Jack Baird: BLM Big Horn Basin Resource Management Plan, HSC Fair Board, Shoshone Forest Travel Management Planning Committee, Sage Grouse Liaison, and Prevention Coalition;
Phillip Scheel: Basin Authority Child Support Enforcement, Hot Springs County Museum, Chamber of Commerce, and Courthouse Maintenance.
- 5. Set County Holidays** – The Commissioners approved Resolution 2021-01 setting the County Holidays for 2021 as follows:
Martin Luther King Day
Third Monday in January (01-18-21)
Presidents' Day
Third Monday in February (02-15-21)
Memorial Day
Last Monday in May (05-31-21)
Independence Day
July 5 – Monday
Labor Day
First Monday in September (09-06-21)
Columbus Day
Second Monday in October (10-11-21)
Veterans' Day
November 11 – Thursday
Thanksgiving
Fourth Thursday in November (11-25 & 26-21)
Christmas
December 24 – Friday
New Year's
December 31, 2021 – Friday

- 6. Public Office Disclosure Statements** – The Commissioners each completed a Public Office Disclosure Statement that State Statute requires annually of any public servant who invests funds or who has authority to decide how public funds are invested.

Road & Bridge Supervisor Appointment – The Commissioners appointed Shane Rankin as the Road & Bridge Supervisor. The Commissioners expressed their appreciation for Dave Schlager's many years of excellent service to the County and for Mr. Rankin's hard work as the interim Supervisor over the last three months.

Hot Springs County Boards & Committee Appointment – The Commissioners re-appointed Billie Jo Norsworthy to the Fair Board. Appointments to the NRPC and the Predatory Animal Control Board were tabled to the January 19th meeting.

FBO Monthly Report – There were 84 total recorded operations in December. Fuel sales totaled 2,770 gallons of AvGas and 200 gallons of Jet Fuel. The AWOS precipitation sensor is still out of commission. Work continues on the COVID Relief grant reimbursement submittal. The County has four years to spend this money.

Maintenance Monthly Report – South Annex Property – Rocky Mountain Power has provided a proposal for moving the poles. Jadeco has not yet submitted an estimate for the junction box. **Courthouse/LEC Roof** – CRCI's latest estimate for roof repairs is about twice what WARM estimated. Les will continue to work with Nelson Architects to create specifications for a bid proposal for the project. Colleen Nelson will be encouraged to work with WARM to help them understand the need for more extensive repairs. **Library Roof** – The roof boiler vent has been painted. The County has received a completed copy of the warranty for the roof replacement. Repairs to the heat pump at the Library are underway. **Public Health HVAC System** – The HVAC system continues to require repairs and rebalancing to get it to work properly. **Extension Office** – The utility system in this building is very old and in need of serious repairs. Commissioner Scheel will work with Mr. Culliton to help determine the most efficient ways to improve the system, including the furnaces, boilers and water heater. **Arapahoe Street Property** – Clerk DeSeyn reported that LGLP has been providing liability insurance on the property since the County took ownership. Liberty Mutual has not yet provided an estimate on repairs for smoke damage suffered as a result of the Las Fuentes fire. Mr. Culliton has secured the building against future damage, but noted that the roof trusses are sagging and in danger of collapse in the event of a heavy snowfall. **Storage Unit #3** – Emergency Management personnel would like to store non-temperature sensitive items in this unit, but it is very difficult to access due to a large amount of broken, obsolete items currently in the unit. Mr. Culliton was authorized to clean out and reorganize the unit so that it can be used more efficiently. **Alternate Emergency Operations Center/Search & Rescue Building** – Mr. Culliton was asked to investigate different ways to ensure the snow is plowed at the AEOC in a timely fashion after a snowstorm.

Emergency Management Monthly Report – Mary Gordon requested permission to use Storage Unit #3 for non-temperature sensitive Public Health item storage, and

also to use the unit as an unloading and distribution area for incoming COVID supplies. The Commissioners granted these requests.

Public Health /Prevention Monthly Report - PHN Manager Tricia McPhie reported Hot Springs County received their first shipment of COVID vaccine on December 24, 2020. As of January 3rd, 56% of the vaccine has been administered, with more immunization clinics scheduled over the next several months. Mrs. McPhie noted that the State mask mandate will remain in effect until at least January 25th.

COVID-19 Funding Memorandum of Understanding – Mrs. McPhie presented the latest round of COVID-19 funding for the Commissioners' review. Jack Baird moved to approve the MOU between the State Department of Health and Hot Springs County for grant funds for COVID-19 disease surveillance and testing activities in the amount of \$56,160.00 for the time period of December 31, 2020 through June 30, 2021. Phillip Scheel seconded the motion. Discussion: these funds are subject to more restrictions than the first round of funding, and cannot be used for any expenses incurred prior to December 31, 2020. Motion carried.

Memorandum of Understanding – Hot Springs County Prevention Coalition – Prevention Coordinator Jennifer Cheney reviewed the MOU between the County and the Prevention Coalition outlining the responsibilities and expectations contained in the Community Prevention Grant. No action was required on the Commissioners' part at this time. The MOU was signed by Clerk DeSeyn.

Road and Bridge Monthly Report – The Road & Bridge department is working on fire number and road sign maintenance this month, as well as winter maintenance on Road & Bridge equipment. Donnan Coyne is the department's newest employee.

Youth Alternatives Monthly Report – There were 121 families and 30 single households served by the Christmas Basket program this year. They delivered 58 baskets and served 359 people through the program. There are fourteen participants in the Youth Alternatives program at this time – ten males and four females. There is one person on diversion from Washakie County, one enrolled in the Wyoming Virtual Academy, five voluntary case plans, one in residential treatment, two out-of-home placements and several expulsions that the Director is working with.

Planner Monthly Report – The Planner reported the NRPC will meet on the 13th to review the punch list for Dru Consulting. The Land Use Planning Board will not meet this month. Work on the soil remediation project at the old airport will resume in the spring. With the onset of winter, the Septic season is pretty much over. Four systems installed on an emergency basis are still under review.

Public Hearing – Love Land Use Change – Sharon Love requested a land use change from Industrial to Residential for a parcel of land located in the southwest quarter of the southwest quarter of Section 5, Township 43N, Range 95W, to rescind a 1999 approval for a logging operation on the property, as said operation no longer exists. The chairman opened the public hearing at 11:33 a.m. After three calls for public comment, hearing none, the hearing was closed at 11:35 a.m. The Commissioners rescinded the 1991 Industrial designation and returned the property to Residential use.

GIS Monthly Update – There was no report from T-O Engineers this month. The GIS Clerk will begin work with T-O on a countywide road map with different layers for use by various County entities.

WARM Amended and Restated Joint Powers Agreement – After a review of the agreement, the Commissioners tabled action on this item until further information is obtained regarding current claims with WARM. The Clerk will continue to investigate coverage through other insurance companies.

Inmate Hospital Debt – This item was tabled until the return of the County Attorney from COVID quarantine.

Search & Rescue Issues – The Commissioners asked Sheriff Kraushaar to clarify with Search & Rescue personnel that he is the "go-to" contact for Search & Rescue issues. Regarding Wyoming Retirement coverage for S&R personnel, it appears that the County is not statutorily required to provide that coverage, but the Commissioners indicated that they are willing to take up the matter with Sheriff Kraushaar during 21-22 budget discussions this year.

Hail Damage Expense Allocation – The deductibles for Sheriff Department vehicles for claims from the 2019 hail storms will come out of the Sheriff's budget, and the remainder of the repair costs will come from Emergency Expenditures.

Other Business – HSG-AIP-11-2019/ AHS001A Pavement Maintenance Project RFR #4 – The Commissioners approved FAA HSG-AIP-11-2019 Pavement Maintenance Project – RFR #4 in the amount of \$22,856.32. The Commissioners approved WYDOT Pavement Maintenance Project #AHGS001A Request for Reimbursement #4 in the amount of \$1,523.55. The County's share of RFR #4 is \$1,016.57. **HSG Master Plan Project RFR #5** – The Commissioners approved FAA HSG Master Plan project #3-56-0043-012-2020 RFR #5 in the amount of \$11,245.66. **COVID Community Charitable Relief Discussion** – The County has received \$102,423.84 from the State for the Community Charitable Relief program. These funds

Town

said he wanted to give the locals a chance to price or bid on the work.

However, Slagle said he needs 12 units right now. Council member Bill Malloy said it would probably take a local person quite a while to make them. Slagle explained that he asked for 30 units because the 12 needs immediate replacement due to damage, but the others are wearing out very fast.

Council member Dusty Lewis asked about repairing them. Slagle said in regard to banding the dumpsters they have done it in the past, but some have had two bottoms replaced and they still have rotted through. Then the added weight to the dumpster with multiple bottoms causes damage to their truck. Slagle said they added plastic liners in the bottom and that seemed to save them for longer use but once they wear out and have to be repaired once they become junk. The rot starts up the sides and the backs start coming out.

Crosby then brought up a costs sheet for sanitation for purchase and vehicle maintenance of the town's dump trucks. The list shows that the town is paying a large amount of money for maintenance, especially on their older models.

The most recent dump truck purchase cost about \$179,000 but there is much less cost for maintenance for this unit. Crosby said, "We're reaching a point where we need to make a decision on trash collection. But I

wanted to present that before that because we need to make a decision on dumpsters." Mayor Mike Chimenti requested they make a motion to purchase the 30 dumpsters, but the option was that they first check with locals to see if they could do it cheaper. The council voted and passed the motion.

Crosby also brought up the town's service line warranties where they are going to do a mail campaign and they will send a letter to people on February 15 and a follow-up on March 1. Crosby said in the past that some residents have come into Town Hall very upset because they thought this service line warranty offer was a scam.

Crosby said some folks have had trouble discerning what is a scam and what is not. The service line warranties cover residential properties and have approximately 200 participants. The service line warranty company has said they would also cover out-of-town county residents that have a septic line.

Council member Lewis brought up the idea to charge more for the town so that all residents would be covered with this service because some residents are "rolling the dice" and then later suffer from a major repair, this would prevent the resident from suffering from the cost. After much back and forth, the council decided to not move on to the idea. Some were concerned about pushback from the town residents on the increased cost.

Learning a trade

The trades classes at Hot Springs County High School are working on a variety of projects designed to teach them needed skills.

Hot Springs County Public Health releases COVID-19 vaccine numbers

Hot Springs County Public Health and Red Rock Family Practice are partnering to offer COVID-19 vaccines to our community.

The following are the anticipated numbers of vaccines to be delivered to Hot Springs County in February by week of delivery:

Feb. 1, Feb. 8 and Feb.

15: 100 each week. Feb. 22: 200. Total vaccine delivered in February: 500. Total received in January: 300. Total received in December: 200.

The numbers do not include second doses. Those are shipped separately. Second doses are arriving in HSC and began being administered last week. Second doses are

given 28 days after the first.

Hot Springs County continues to vaccinate those in Phase 1a and 1b. The Phase 1b age group being vaccinated is presently limited to those 70 years of age and older. Wait list registration is now opened for anyone 65 or older.

You may register on the link at www.hscounty.com/

vaccine. Please note once you complete your form and click submit you will have a confirmation pop up on your screen. You may print your Vaccination Consent forms there or they will be given to you to fill out when you arrive for your appointment.

You may also call the Wyoming Department of Health

Pre-Registration Line at 1-800-438-5795. They will enter your information on the list used only by Hot Springs County.

You will be contacted by HSC Public Health or Red Rock Family Practice when it is your turn. Appointments for age 65 will begin as soon as the age 70 and over waiting

list is completed.

The process will take time. Under your wintry garb, please wear short sleeves for your appointment.

For current and more detailed information go to: <https://health.wyo.gov/publichealth/immunization/wyoming-covid-19-vaccine-information/>

Public notices

are to be distributed to local Charitable Organizations defined as being tax-exempt under either Section 501(c)(3) or Section 501(c)(19) under the Internal Revenue Code and which provided goods, services or payments to the public related to the COVID-19 public health emergency. The Commissioners reviewed the application/award forms provided by the State. Application forms are available from the County Clerk and will be accepted through February 10th at the County Clerk's office. Funding awards will be made at the February 16th Commissioners meeting. Application forms must be accompanied by a cover letter outlining the amount requested and documentation of the COVID-19 related expenditures/losses.
