STATE OF) OFFICE OF THE
WYOMING) BOARD OF
OF) COUNTY
COUNTY OF) COMMISSIONERS
HOT SPRINGS) April 18, 2023

The Hot Springs County Board of Commissioners met in regular session on Tuesday, April 18, 2023, at 3:00 p.m. in the Public Meeting Room at the Government Annex. Present were Commissioners Tom Ryan, Phillip Scheel and Paul Galovich. Also present were County Attorney Jill Logan, County Clerk Becky Kersten and Administrative Assistant Connie Guntly. Chairman Ryan led those present in the Pledge of Allegiance.

Approval of Agenda – The Commissioners approved the agenda.

Approval of Minutes – The Commissioners approved the minutes from the March 21, and April 4, 2023 meetings.

BLM Projects Update – Current projects update presented by BLM, included the Gooseberry badlands and the Blue Way Trail project. Mr. Marsh stated the reason for the presentation to the Commissioners is BLM has access to funds and can collaborate with the County for projects. Mr. Marsh wanted to check in about roads status and if there are roads needing maintenance, to let BLM know. Mr. Phillips stated funding requests can be tied to any infrastructure request that benefits the community, and staffing to assist with projects. Chairman Ryan asked about funding in regards to the County’s Black Mountain Road Project as the road is also a BLM access; the County’s funding does not cover the last 3 miles of construction for the road. Mr. Phillips said the office can look into it. Commissioner Scheel asked about former Airport repurposing funding, and linking the recreation to BLM. Mr. Phillips suggested the Commissioners reach out

to Collen Hardy for the outdoor recreation funding when the time gets closer.

TANF Grant Application Review and Approval – The Department of Family Services released the application extending the current Temporary Assistance for Needy Families (TANF) agreement. The same amount of funds will be allocated this year as last year, at \$20,000. High Country Behavioral Health is the sub-recipient of the funds’ and Public Health assisted with the application. High County Behavioral Health submits quarterly reports to Public Health. The Commissioners approved the TANF CPI grant application.

Building Locks Review and Approval – TCI provided a quote for the County’s share of the locks in the amount of \$6,184.22. Public Health put in for a grant for their share of the cost in the amount of \$14,109.44. It is anticipated the project will be complete by June 1 if there are no problems. The Commissioners approved the quote from TCI in the amount of \$6,184.22. Chairman Ryan clarified with Mr. Culliton, the locks for the Annex building will tie into the same system as the Courthouse building when those are updated as well. County Clerk Kersten asked about the budget line item, Chairman Ryan suggested to take it out of the Capital Improvement budget.

Executive Session – Personnel and Possible Litigation – Commissioner Scheel moved to enter into Executive Session to discuss three personnel items and a possible litigation item at 3:35 p.m. Present for the Executive Session were Commissioners Tom Ryan, Phillip Scheel, and Paul Galovich, as well as Public Health Nurse Manager Tricia McPhie, Road and Bridge Manager Shane Rankin, County Clerk Becky Kersten, County Attorney Jill Logan, and Administrative Assistant to the Commissioners Connie Guntly. The Commissioners returned to regular session at 4:57 p.m. No action was taken during or as a result of the Executive Session.

Scholarship Review and Award – The Commissioners approved all three scholarship applications.

Open Public Comment Discussion – Chairman Ryan stated County Attorney Logan briefed the commissioners on the subject and he agrees with the concerns County Attorney Logan presented, and still does not agree with an open public comment item. Commissioner Galovich does not disagree with the brief but agreed it best to limit discussions to items on the Agenda; Commissioner Galovich feels there should be (a set) time scheduled for the comments for Agenda items. Commissioner Scheel stated the only time Open Public Comment was denied was when it was requested by representatives who filed litigation against the County. All Commissioners agree if a person wants to speak on an Agenda item they can ask to speak about it at the time the item is presented.

Other Business – 1) **Appointment of Land Use Planning Board Member** – The Commissioners approved Merrill Ready to serve on the Land Use Planning Board. 2) **Approval of Wyoming Health Fair 2023 Employee Wellness Contract** – The Commissioners approved the Employee Wellness Agreement. 3) **Approval of CATEX for BHBND** – The Commissioners approved the WYDOT BHB Children’s Outdoor Discovery Center CATEX Planning Report. 4) **Approval of Lease Agreement for Hangar Space** – The Commissioners approved the Lease Agreement with John and Charlene Jones.

Correspondence – 1) **HSC Fair Board Agenda and Minutes** – February, March, and April 2023; 2) **Local Emergency Planning Committee** – By-Laws and Mission Statement; 3) **BHBND** **Agenda and Minutes** – February, March, and April 2023; 4) **Bureau of Reclamation Issues Snowmelt Forecast for Bighorn River Basin** – April 12, 2023

The Commissioners reviewed the forgoing correspondence. No further action was required.

Adjourn – The meeting was adjourned at 5:14 p.m.

A regular meeting of the Hot Springs County Board of Commissioners will be held on May 16, 2023 at 3:00 p.m., at the Hot Springs County Annex building, 117 N. 4th St. Thermopolis.
